Ping Jiang is a partner at Merits & Tree Law Offices. Prior to joining M&T, he worked successively at three leading Chinese law firms in Beijing and Shanghai for many years. Mr. Jiang has been practicing law since 2006.

In the field of investment, financing and M&A, Mr. Jiang mainly focuses on media, technology, internet, IoT entertainment, real estate, natural resources, and traditional manufacturing industries. He has represented a number of prominent internet entrepreneurs and early-stage founders in securing various forms of financing, and has offered full legal services for various financial transactions, including divestment and restructuring for financing, domestic RMB financing, overseas preferred stock or convertible bond financing, and M&A. His clients include Everbright Holdings, IDG, Sequoia Capital, Hongsheng Capital, Yuansheng Capital, Source Code, Kunlun Wanwei, Evergrande Capital, Zhongzheng Huijin, Fengchuan Capital, Guangyi Capital, and Xingfeng Capital.

As a member of the M&T Real Estate and M&A team, Mr. Jiang brings a wealth of experience to real estate businesses. He has rich experience in the real estate such as company establishment, market access, M&A, and regulation, as well as advises on the entire lifecycle of real estate projects, including early-stage development, transfer and assignment of land use rights, construction engineering, real estate pre-sale and sales, housing leasing, mortgages, registration, property management, establishment of project companies, financing, mergers and acquisitions, project transfers, and dispute resolution. With over a decade of practice, Mr. Jiang has represented and assisted real estate funds and companies through investments in Chinese real estate projects, covering equity and asset M&A at different stages of various types of real estate projects.
